Departments

Stewardship Corner

“I was once young and now I am old, but not once have I been witness to God’s failure to supply my need when first I had given for the furtherance of His work. He has never failed in His promise, so I cannot fail in my service to Him” ~ **William Carey**.

Family Life

Open your heart and remind yourself of your intent to be loving in every aspect of your life.

Women's Ministry

How careful we should be with our words, when we consider the lasting power for good or evil of one hastily spoken sentence.

Health Spotlight

March is Kidney Month: Your kidneys have several vital functions. Kidneys produce hormones that help control blood pressure and they play a role in promoting strong and healthy bones. Healthy kidneys cleanse the blood of toxic waste. When kidneys fail, every organ of the body is affected. Diabetes and high blood pressure are leading causes of kidney disease. If you are at risk for these diseases, ask your health professional about the health of your kidneys ~ Kidney Foundation of Canada.

Prayer Ministry

I never prayed sincerely and earnestly for anything but it came at some time; no matter at how distant a day, somehow, in some shape, probably the least I would have devised, it came ~ **Adoniram Judson**.

Community Service

“To honour is to show respect, to meet another’s need, to give someone encouragement and to love in words and deeds. So we honour God when we honour those who serve God.”
