Departments

Stewardship Corner

You should give according to your income, lest God make your income according to your giving.

Family Life

Parents should neglect no duty on their part to benefit their children. They should so train them that they will be a blessing to society here, and may reap the reward of eternal life hereafter ~ **(CE 237.4)**.

Women's Ministry

When I'm obedient to the Word and trust in the Lord, I have total faith that God will help me overcome anything and guide me where I need to go ~ **Thelma Wells**.

Health Spotlight

March is Kidney Month: Your kidneys have several vital functions. Kidneys produce hormones that help control blood pressure and they play a role in promoting strong and healthy bones. Healthy kidneys cleanse the blood of toxic waste. When kidneys fail, every organ of the body is affected. Diabetes and high blood pressure are leading causes of kidney disease. If you are at risk for these diseases, ask your health professional about the health of your kidneys ~ **Kidney Foundation of Canada**.

Prayer Ministry

The coming revival must begin with a great revival of prayer. It is in the closet, with the door shut, that the sound of abundance of rain will first be heard. An increase of secret prayer with ministers will be the sure harbinger of blessing ~ **Andrew Murray**.

Community Service

“To show your love for God, share your love with others.”
