Departments

Stewardship Corner

I never would have been able to tith the first million dollars I ever made if I had not tithed my first salary, which was \$1.50 per week. ~ John D. Rockefeller, Sr.

Family Life

Every single person has capabilities, abilities and gifts. Living a good life depends on whether those capabilities can be used, abilities expressed and gifts given. If they are, the person will be valued, feel powerful and well-connected to the people around them. And the community around the person will be more powerful because of the contribution the person is making.

Women's Ministry

God can use anyone who's dependent on Him since the responsibility for the work is HIS – He just wants our availability. ~ Anne Graham Lotz

Health Spotlight

Focus on Healthy Fruits: Most oranges grown are processed for orange juice. However, the juice version is packed with concentrated sugars which can cause a spike in blood sugars in some people. Eating a whole orange is just as refreshing and is absorbed more slowly into the bloodstream because of the pulp and fiber content. The soluble fiber aids in the digestion process. ~ kmagazine.info

Prayer Ministry

According to Soren Kierkegaard, prayer is “a silent surrendering of everything to God.”

Community Services

“We're always sowing seeds in life, by everything we do and say. So let's make sure the fruit we reap comes from the good we do each day” ~Hess

Pathfinders

In every phase of your character building you are to please God. EGW - Conflict & Courage.
